Jayson Wallace, CTK member, represented the US at the World Deaf Mountain Bike Championships in Satoraljaujhely, Hungary last fall. He finished sixth place in the Eliminator Race, ninth in the Olympic Distance Race, and unfortunately, had to exit the Marathon due to a flat tire when he was in sixth place! This November he heads to the Deaflympics in Tokyo, Japan where he will compete in both road and mountain biking. Jay will share his experiences with us, and we are encouraged to help him raise \$5000 for his expenses.
